

CHICAGO FELLOWSHIP BOOK LIST

Below is a listing of some books participants in the Fellowship have read and recommend to other men. This list is by no means complete nor does the content of any book necessarily reflect the views of Chicago Fellowship as a whole. The list is only intended to help men share some of the books that have been of value to them in their personal journey and to help serve as a stimulus for ongoing discussion. More information on the content each book can be found online at Amazon.com. The books are listed in three general categories and in alphabetical order by author.
